**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition instead of being stuck with just a couple alternatives that set the price they want and control the market.

The current situation you have only 2 alternatives, they lure you in with a low price and gradually increase it to where its unreasonable. The consumer is stuck with paying a ridiculously high price or to do without. We need more competition.
